

Be Sure

If you have made up your mind to buy Hood's Sarsaparilla it would not be induced to take any other. It is the best of all the peculiar medicine, possessing, by far, the best properties, combination, proportion, and preparation, suitable to all diseases to any other article. A Boston lady who knew what she wanted, and whose example is worthy imitation, tells her experience below:

To Get

"In one store where I went to buy Hood's Sarsaparilla the dealer said, 'Individually, that you can't buy Hood's, he sells them there would last longer; that I might take it on ten days' trial; that if I did not like it I need not pay for it.' I did not like it, so I never paid for it to him. I then I found that Hood's Sarsaparilla was what I wanted, it was satisfied with it, and did not want any other.

Hood's

When I began taking Hood's Sarsaparilla I was feeling rather nervous, suffering a great deal of trouble, dyspepsia, and was that at times I could hardly stand. I looked, and, for some time, like a patient in consumption. Hood's Sarsaparilla has an immediate effect on all my constitutional, and my friends frequently speak of it." Miss ELLA A. GORE, 61 Terrace Street, Boston.
